The Bowls Reprehensive is Ngare Price

Our first meeting of the new Committee is Monday 19th August

I look forward to working with this Committee to the benefit of all Club Members.

THIRD GREEN

It was decided at the AGM to go ahead with the releveling of the third green with the Club paying approx. 1/3 and the Bowls through Housie

monies paying the remainder. While this work isn't a final fix it should see the green being able to be fully used until the mat needs replacing, when the decision will need to be made on any major reconstruction which will be a major cost at the time.

I am sure we all look forward to being able to get the full use of this green.

CHANGEOVER TO LION BREWERIES

You will notice that as the DB Beers run out they are being replaced with the equivalent Lion products, while we know some of these will not be to everyone's taste we will do our best to work with you to find a beer that suits either on tap or in bottles.

BAR CLOSURE – MONDAY 26th AUGUST

We are about to have some disruption with the alterations to the bar and unfortunately are having to close the Club for the day & evening of Monday 26th August 2019 and possibly the following Monday as well to have all the new flooring laid in the bar, these closures are due to health and safety regulations and we apologise for any inconvenience to our Members.

Once these alterations are completed, we should see a far more efficient bar with less queueing for service.

UP & COMING EVENTS

I know Tina and her staff are working hard to bring events to the Club for your enjoyment including a:

Beer Tasting night with Lion

A Wine appreciation evening which could become a monthly event

And of course, the All Blacks games and Rugby World Cup
