

Welcome to our February Newsletter 2023

Your Committee & Staff hope that you are all well and managing to survive this weird weather we are experiencing.

From The President

It's February all ready. I hope you all had a great New Year!

As you can see, things are on the move at the Club. We are upgrading all our social media sites to keep you informed. Our membership is growing by about 30 members a month and the place is very busy, which is great to see after our long Covid journey, (now hopefully behind us.) The Kitchen has had some appliance upgrades and things are going great. So, if you haven't been in for a while, come in and have a meal, a cold one, and a chat.

Cheers

Alan McIntyre

President Mangawhai Club
