

September 2019

FROM THE PRESIDENT

It was decided at the September committee meeting to purchase a new 11-seater courtesy van. This should be delivered during October.

This service is provided by The Club to promote our Host responsibility's in offering transport to those members who require it.

We have extended the days and hours the van will be available to 7 days a week from 3pm.

Please make use of this service especially if you are drinking. PH: 09 4315085 or 022 4755743

There will be a donation box in the foyer of the club where the proceeds will be used to offset the running costs of the van.

The repairs to the Third Green are due to start next week and be completed in time for the Green to be used for the start of the Business House Bowls competition starting 22nd October.

For health and safety reasons the contractors have asked that nobody go within the construction area.
